

Notice of Public Meeting

The Village of Burnham, with assistance from the Cook County Department of Transportation and Highways (DOT), initiated the Burnham Avenue Railroad Crossing Study (formerly the Burnham Avenue Grade Separation Project). The study aims to reduce delays and improve mobility, safety, and operations for all roadway users in the project study area, specifically proximate residents of the City of Chicago and the Village of Burnham, at the existing at-grade railroad crossings where Burnham Avenue intersects with five railroad tracks (involving three controlled crossings) located just south of Brainard Avenue.

The purpose of the meeting is to provide a study update, present the recommended alternatives to be carried forward, and obtain public input. This meeting will follow an open-house format with exhibit boards on display, a looping voice-over presentation and project team members available to answer questions.

Date: Tuesday, October 14, 2025

Time: 6:00 p.m. to 8:00 p.m.

Location: Burnham School District 154-5
13945 S. Green Bay Avenue, Burnham, IL 60633

Project Website: burnhamrailroadstudy.com
Project Email: info@burnhamrailroadstudy.com

Meeting materials, including a copy of the meeting presentation project exhibits and a summary of frequently asked questions, will be posted to the project website within 30 days of the meeting.

This meeting will have a Spanish interpreter present for questions and comments. If you need any additional assistance, please contact info@burnhamrailroadstudy.com or call 708-203-8984.
